

Colegio Americano De Torreón

SCHOOL PROFILE

2025-2026

Overview & Community

Colegio Americano de Torreón (CAT) is a private, non-profit college preparatory international school governed by a eighteen-member board of directors. It provides a bilingual/bicultural educational program to approximately 1247 students in grades N-12. It was founded in 1950 and has been accredited by Cognia, Southern Association of Colleges and Schools (SACS), Council on Accreditation and School Improvement (CASI), and the Secretaría de Educación Pública (SEP) since 1954. CAT offers students an opportunity to graduate with dual U.S. and Mexican High School diplomas.

Curriculum

All of our High School students follow program requirements for both the Secretaria de Educacion Publica (SEP) guidelines, as well as United States curriculum standards to obtain both their Bachillerato certificate and their High School Diploma.

The academic program is organized on a rotating block schedule. Eight credits per school year is the maximum course load. Students take eight 85-minute block classes (four per day, except for a special Friday schedule) and have Homeroom, which is a time to build classroom community outside of class time.

A minimum of 30 credits is required for graduation. Additionally, seniors must complete at least 100 community service hours, as part of CAT requirements.

Grading Scale

GPA is computed using the grading scale below. Beginning with grade nine, all subjects, whether passed or failed, are included in the computation. AP classes are weighted by 1.1 points. Grades are recorded on the transcript and GPA is computed in January and June. We do not incorporate transfer grades in GPA.

CAT Grading Scale

PERCENTAGE	GPA	PERCENTAGE	GPA
93-100%	4.0	77-79%	2.3
90-92%	3.7	73-76%	2.0

2025-2026 **ADVANCED PLACEMENT**

Colegio Americano de Torreón offers Advanced Placement (AP) classes to students on a yearly basis. CAT believes that AP classes provide a rigorous and challenging curriculum for students to further develop such skills as problem solving and critical thinking and we remain fully committed to providing as many of these rewarding AP opportunities as possible for our students.

Additionally, whenever possible, our teachers provide support to, and help students prepare for, AP exams in subjects other than those being offered at the school. This commitment by our teachers further expands the opportunities for our students and adds enrichment to their learning experience.

Our AP Subjects Offering

- AP Biology
- AP Calculus AB
- AP English Language & Composition
