

LEAD MENTOR QUANTUM MICROLEARNING COLEGIO AMERICANO DE TORREÓN

To apply: Cover Letter and Resume to
leann.lear@cat.mx

POSITION DESCRIPTION

We are looking for more than a teacher, we are looking for a **spark**. In our progressive micro-learning environment, a **lead mentor** is a guide who empowers students to navigate their own educational journeys.

As a middle school generalist, the content covered in Quantum includes English, Social Studies, Math, Science and Ethics.

QUANTUM LEAD MENTOR RESPONSIBILITIES

Build an Extraordinary Classroom Community

- Create a space where everyone feels valued, respected, and inspired. Students know they belong and that their ideas matter.

Lead Project-Based Learning That Matters

- Design dynamic projects where students solve real problems, build real skills, and create real impact.

Spark Inquiry & Problem-Solving

- Encourage students to ask bold questions, think critically, test ideas, and learn from mistakes. Curiosity fuels everything.

Assess Learning in Meaningful Ways

- Through common assessments, performance tasks, and reflections, help students understand their growth and celebrate their progress.

Elevate Student Voice & Choice

- Design authentic learning experiences that give students freedom to explore passions, make decisions, and shape their own learning path.

Support the Whole Student

- Collaborate with staff, parents, and community partners to ensure every student is supported academically, socially, and emotionally.

POSITION REQUIREMENTS & DISPOSITIONS

- Master of “Learning to Learn”
- Risk Taker & Innovator
- Feedback Driven
- Adaptability & Resilience
- Growth & Cultural Mindset
- Previous experience working on collaborative, fast-paced teams
- Current Teaching License
